

# Why Re-Open - Why not just E-learning?

Our Mission: Empowering struggling students to become contributing members of their communities through Academics, Job Training, and Faith-Based Character Education.

- Many of our students struggle working independently
- Nothing replaces in-person assistance in a learning environment
- Developing character is a cornerstone to our mission that requires in person interaction whenever possible.
- Nothing replaces the power of human interaction and socialization
- Job training can still be conducted in most areas of our program

The American Institute of Pediatrics recommends the in-person model as well. This article highlights the details regarding risk vs. reward for in person instruction for children. - [AAP Link](#)

**Bottom Line: Our Students need us and we need them!**
